

Steigmann Institute Program

February 19-21, 2020 (Module 1)
October 11 -13, 2020 (Module 2 & 3)
Melbourne, Australia

Learn All About Soft Tissue Management

“Join me to learn the magical words of ‘Zero-to-Hero’, 10 Commandments in Soft Tissue Surgery and many ‘WOW factors’ of SteiPog Surgical Techniques” – Prof Dr Marius Steigmann

- ✚ Different tissue biotype react differently to surgical trauma. For this reason I have adjusted the surgical approach to the biotype specific to each patient and location in the oral cavity.
